2010

Guidelines for 4-H Library

The 4-H Library circulates a variety of materials for use by 4-H project members, leaders, and their families. The 4-H Library will be available during regular office hours (Monday through Friday, 8:00 am – 4:30 pm) at the Courthouse in Chilton. Publications may be mailed upon request.

Checkout of all materials will be for a period of 2 weeks. All renewals must be requested prior to the due date.

Items may be reserved if they are already checked out. We will notify you by telephone or E-mail when the material comes in. Reserve items should be picked up as soon as possible. Items not picked up within 7 days of notification, will forfeit their right to the material.

People who lose or damage 4-H library loan materials will be required to pay replacement costs.

Additions to Library

If any member or leader has project material they feel would benefit others and are willing to share them, we would gladly add copies of those materials to the 4-H Library.
