Instructions: <u>All</u> individuals wishing to sell an animal in the Calumet County Fair market livestock sale must have completed this project form and turned it in to the sale committee (Collection box located in Fair Secretary's Office). You should include all market animals that you bring to the Fair on this record. You may include other project animals if you would like to, but you are not required to do so. It is important to keep good records throughout your project so that everything is on the record. If you have difficulty completing some parts of the record, ask your parents or project leader to help you.

BEGINNING VALUE OF ANIMALS

If you purchased your project animals, value them at purchase price; if you raised your project animals from birth, assign them values as follows:

<u>Beef</u> - market value at birth. <u>Swine</u> - feeder pig value at 40 pounds. <u>Sheep</u> - lamb's weight x market price whenever you begin feeding them. <u>Goat</u> - goat's weight x market price whenever you begin feeding them.
