Tuesday, October 8

11:00 am – 2:00 pm

Bob Van Daalwyk, N5790 Elm Road, Hilbert

Sampling Guidelines:

- Collect 3-5 stalks from a representative area within the field (cut at chopper height)
- Please include name, address, phone number, hybrid planted, relative maturity, and planting date
- Once samples are cut do not delay bringing them to the site so that moisture is not lost

There is a suggested \$3.00 donation per sample to cover costs.
Donations to the Forage Council are appreciated.
