

COVID-19 Food Access Resource Guide for Calumet County 7/8/2021

People around Wisconsin face challenges in getting the food they need during the COVID-19 pandemic. This page provides information about public programs, community resources, and food shopping options in Calumet County to help meet food needs during this crisis. You can find more detailed, regularly updated information about state-level programs to help afford food at Extension's statewide [Food Resources to Help Get Through COVID-19](#) page.

Google has set up a tool to find food resources near you. Just follow this link <https://findfoodsupport.withgoogle.com/> and enter your address. Note that there may be more food resources available than what this tool shows.

EMERGENCY FOOD

Food pantries are available in Calumet County for people needing emergency help to get food. Most pantries have switched to curbside or drive-thru pickup to minimize contact between volunteers, staff and visitors.

You can call 211, or go to the [211 website](#), to get information about pantries in your area.

PROGRAMS TO HELP ACCESS FOOD:

FoodShare

[FoodShare Wisconsin](https://www.wisconsin.gov/foodshare) helps families across Wisconsin to afford the food they need. The program provides eligible households with a debit card (called the QUEST Card) that is automatically loaded each month with funds to buy food. You can apply online at

<https://access.wisconsin.gov/access/>.

More detailed Q&A about FoodShare is available at Extension's [Food Resources to Help Get Through COVID-19](#) page. Program changes are updated at the DHS [Updates for FoodShare and Other Food Benefits](#) page.

FoodShare for seeds and plants

FoodShare can also be used to purchase seeds and plants that provide food. Not all retailers are aware of this so availability of this option may vary.

Assigning a proxy or secondary user to your FoodShare account

Households that are unable to access grocery outlets to use their FoodShare benefits have the ability to have someone shop for them by adding an Authorized Buyer or Alternate Payee to their account. An Authorized Buyer is added to a Foodshare account and both parties receive EBT cards for the same account. An Alternate Payee receives a card on behalf of the account holder.

FoodShare users can request an authorized buyer or alternate payee be added to their account by completing the following form:

[Add or Remove an Authorized Buyer or Alternate Payee for FoodShare Benefit](#)

- Available in English, Hmong, Spanish, and Russian

Once the form is received and entered by your [local agency](#), the card issuing agency will send the card to the appropriate individuals. This process may take 5-7 days.

It is important to know that any cards issued remain active unless the client contacts the [local agency](#) and completes and submits the form to remove the client. It also remains active if the case closes and the client reapplies in the future.

Using FoodShare to order online

Some retailers allow FoodShare participants to order online for pick-up services and to then use their benefits in person. Walmart offers this service but be sure to check with them and or your local grocery store as services may change.

[Women, Infants, and Children \(WIC\)](#)

The Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) is a nutrition program for pregnant women, infants, women who are breastfeeding, postpartum women, and children younger than age 5. The program provides nutritious foods, infant formula, as well as nutrition education and other support. [Eligibility information](#) is available from DHS. To find out more, or to apply for WIC, contact your county WIC office <https://www.calumetcounty.org/288/WIC-Program>

Pandemic-EBT (Electronic Benefits Transfer)

P-EBT is a new, temporary program that provides benefits for children who normally receive free or reduced price meals at school who learned virtually for at least 5 days in a row during the 2020-2021 school year. It covers the value of meals that would have been provided at school. This program provides funds on an EBT card. Detailed information about this program is available from the Department of Health Services on their [Updates for FoodShare and Other Food Benefits](#) page.

Meals for seniors

Ready-to-eat meals are served to adults age 60 and over by the Aging and Disability Resource Center (ADRC) at the following locations on the following days:

- Brillion Community Center (Monday, Wednesday, Friday)
- Chilton City Hall (Monday - Friday)
- Hilbert Village Hall (Tuesday and Friday)
- New Holstein Senior Center (Monday, Wednesday, Friday)
- Stockbridge Village Hall/Town Hall/Fire Station (Tuesdays)

These meals are provided for free, but a \$3.75 per meal donation is suggested. Hilbert, Brillion, and Chilton locations offer a curbside pick-up option in addition to congregate dining.

The ADRC also offers home delivered meals.

For information on both of these programs, visit the ADRC website:
