

Calumet County Sheep and Goat Procedure

- Step 1:** On the picture card write the Tag Number, Family Name, and circle Species.
- Step 2:** Tag the animal - disinfecting the tagger in-between each use.
- Step 3:** Take a digital photo of the sheep or goat, while holding the picture card so the image legibly contains the information on the card, the animal, and the tag.

- Step 4:** Clean and disinfect the tagger.
- Step 5:** Send the digital photos to Janice Thiel (electronic format i.e. e-mail, cd, flash drive, SD card etc.). Send RFID Tag and Identification Form to Janice Thiel, may be mailed or e-mailed. Do not send more than three photos in an e-mail.
- Step 6:** You will receive a confirmation of the photos. If you don't receive a confirmation e-mail within a day, please follow up, as it hasn't received it.

Photos can be sent via email to calumetmarketanimal@gmail.com, please use the subject line: Market Animal Identification. If mailing, send to Janice Thiel, W2938 County Road B, Hilbert, WI 54129

ALL identification photos and RFID Tag and Identification Form must be **mailed/e-mailed** no later than **MAY 15**.
