

Festival of Fun Presenters
2025 Project Learning Days
Location: Calumet County Courthouse

Saturday, April 5th
9:00 am – 3:50 pm
K – 8th grades

Dear Valued Festival of Fun Presenter:

The Festival of Fun Committee needs your help to make our Project Learning Day successful. The purpose of Festival of Fun is to actively engage youth, grades K-8, in fun, hands-on activities that help them to explore and learn about new projects. Many of the youth, especially the younger children, enjoy when they can walk away from a session having created a finished product. When possible, a product they can take home is encouraged, but **fun, hands-on learning** is our top priority.

The committee is asking that you complete the following form and send it back by **February 1st or ASAP**. My goal is to have registration brochures that will be ready to send out with the February Monthly newsletter. We also plan to distribute the registration through schools and social media as well

Please keep and turn in your receipts at Festival of Fun or within one week following Festival of Fun to Carlea Liermann, Courthouse, 206 Court Street, Chilton, WI 53014. The cost of the event will be \$10 for members \$15 for non-members for three sessions, so please try to keep your costs down as much as possible.

We plan to ask for extra help for the day, but it would be wisest for you to bring your own help, if possible. Then you can better prepare them for doing your particular project. If you will be needing us to get you extra hands for the day, please indicate that on the form.

We will let you know the final number of sessions and youth registered for your session(s) by March 21st. Parents are also being invited to attend with their child(ren) to help them, but not to make projects. We need to save the spaces for children.

Thank you for agreeing to take part in what, I know, will be fun and exciting events. Feel free to write any additional comments on the back of the form. The sooner you get this back to me, the better!

Sincerely,

Carlea Liermann
